

President Search Announcement, Position Profile and Application Procedure

The Position

The President of Chabot College serves as the Chief Executive Officer of the college and reports to the Chancellor of the Chabot-Las Positas Community College District; a two-college district. The President will be expected to provide strong leadership and be an advocate for the college. The President must demonstrate a high degree of integrity, innovation, and commitment to shared governance. The President will lead the college as it addresses fiscal challenges while ensuring it meets the needs of the communities it serves.

Chabot College and the Community

The Chabot-Las Positas Community College District is celebrating its 50th year of providing higher education opportunities to residents of the East San Francisco Bay Area. It primarily serves residents of Alameda County including the communities of Castro Valley, Hayward, San Leandro, San Lorenzo and Union City. Within these communities, Chabot College serves nine high schools, public and private, in addition to alternative and adult schools.

Chabot College is a comprehensive community college with a long history of excellence and innovation in liberal arts, workforce development, developmental education and continuing education. It has been the origin of several student support programs that have been adopted state-wide. The college focuses on student success and is proud of their diverse student body and a campus climate that is welcoming and inclusive to mostly first generation college students. The college serves approximately 15,700 students annually. Chabot College enrolls a student body that mirrors the ethnic, age and educational diversity of the East Bay community. The college's student population reflects the diversity of the community with approximately 16% African American; 17% Asian; 28% Hispanic; and 22% Caucasian.

Chabot College's award-winning faculty and staff are supported by an active Faculty Senate, Classified Senate, staff development programs and advisory committees in many of its academic programs. These academic and workforce development programs are complemented by an extensive array of outstanding co-curricular and extra-curricular programs and services.

Chabot College's facilities include a planetarium, art gallery, athletic complex, child development center, radio and television studios, art and music studios and a 1,500 seat Performing Arts Center. The community passed a local construction bond in March 2004. Since then, extensive renovations/additions to existing campus structures and new construction including a Community and Student Services Center, an Instructional Office Building and a Photo Voltaic Project, have been completed.

Chabot College is accredited by the Western Association of Schools and Colleges and also is accredited by several health science associations.

Mission

Chabot College is a public comprehensive community college that prepares students to succeed in their education, progress in the workplace, and engage in the civic and cultural life of the global community. The college furthers student learning and responds to the educational needs of our local population and economy. The college serves as an educational leader, contributing its resources to the intellectual, cultural, physical, and economic vitality of the region. Recognizing that learning is a life-long journey, the college provides opportunities for the intellectual enrichment and physical well-being of all community members who can benefit.

Vision

Chabot College is a learning-centered institution with a culture of thoughtfulness and academic excellence, committed to creating a vibrant community of life-long learners.
